

! THE GODS ARE EVERYWHERE !

I had great fun compiling this initial list and adding to it as I uncovered and discovered more things over the years. This list has been over 10 years in the making. It began around 2010. It is now over 250 pages. If you would like to use it, or link to it, please feel free and please credit me, *Titania* as the author. Please do not archive, though you may link directly to the page.

This is one of the most comprehensive lists of its kind ☺ I already knew of a lot of companies, street names, fictitious characters, etc with the names of the Ancient Gods. I was to find a great deal more, on further net searches and upon my own travels. A work in progress, as I am discovering more and more :) The aim, at first was to find companies, also famous bands, fictitious places, characters, etc in movies/TV etc that shared the names of the Gods {mainly Greek/Roman}, without being affiliated with the Gods and Goddesses such as 'Athena stationery', Hermes Removals... Apollo Cheese {Actually back then, Apollo was the patron God of cheesemakers.} I saw two licence plates which had variants of Apollo's name. I even saw 'Athena' in a mystery word search and other word searches about Greek, Egyptian and Roman mythology.

The majority of list contains stuff not really related to the Gods, however, I've included at list at the end of TV shows/books/movies/computer games featuring the Gods {and famous creatures and mortals} such as *Percy Jackson*, *Clash of the Titans*, *Hercules/Xena*, *Roman Mysteries*, *Age of Mythology*, etc and compiled a list of English words that were inspired by the Gods, eg *Herculean* {meaning mammoth effort}, from Hercules' legendary strength and labours, *Titanic*, meaning huge {and the name of the infamous 'unsinkable' ship} from the Titans' gigantic size, etc. Please note that I had not included phone numbers for privacy. Some of the companies may have closed down since I started making this list in 2006.

I have not included most famous people with more common names such as Diana, Helen, etc - no offence to Dianas or Helens of the world {or Helen of Troy} - that would probably launch 1000 more pages ... I keep to less common mortal names, such as Ele{c}ktra, Alek{c}tis, Olympia, etc. Also not included are personal addresses/numbers, etc for security reasons. Also, no offence, but I have not included everyday mortals ☺ with names of the Gods/Goddesses as there are many. I've known people called Artemis, Athena, Elysia, Eris, Io, Hector, Phaedra, Persephone, Titania, Ulysses... And there was a guy I once saw on a Zoom meet with the last name of 'Urd,' who was one of the Norns {Norse Fates.} I've also not included people's personal online handles/ avatars, named after Gods/Goddesses or infamous ancient mortals or creatures.

I've also grouped the Gods' other names {Such as Zeus/Jupiter/Jove, Hades/Pluto, Aphrodite/Venus, Hestia/Vesta, Hermes/Mercury, Poseidon/ Neptune/Triton, Hesita/Vesta, Hephaistos/Vulcan, etc} with their Greek names.

The list is organised thus:

- 1) Lists of companies, street names, etc named after the Gods
- 2) Fictitious characters and other fictitious mentions of names of the Gods {Though not the Gods themselves}
- 3) Famous folks, animals, bands, songs, etc with names of the Gods
- 4) Planets, moons and other astrological bodies with mythological names

- 5) GaiaOnline collectibles with nods to the Gods
- 6) Movies, TV, Books, Operas and computer games etc, actually *set* in the time of Ancient Greece/Rome/Egypt where the Gods and famous mortals star
- 7) Statues, Temples & Expos with an ancient bent
- 8) Some words in the English language which originate from the ancient Greek
- 9) Books and references on Hades and Persephone and the Underworld

When I began this list, it amazed me just how many things, companies, famous folks and characters were named after the Gods. One night I stayed up excitedly, finding *heaps* of companies and things with names of the Gods, before I finally entered the realms of Hypnos and Morpheus - and this was well **after** Apollo's arrival!

It heartened me how ingrained their names are thousands of years later and although the majority of today's world no longer honour or worship the ancient Gods... I'm sure Apollo has nothing to do with the production of baby prams ;} ... Nor that Hades grinds the peppers in the excruciating hot pepper sauce which bears his name...maybe he's tried it however ;} it's really heartening that the Gods are still amongst us in spirit and in our everyday dealings with this world, even if most don't even notice, realise or really think of the Gods directly when they see *Venus Perfumes*, *Athena Hairdressers*, or that *Nike* shoes take borrow their name from

'Athena Nike,' Goddess of Victory! So when they see things like *Zeus Publications*, or a truck with *HERMES REMOVALS* in big red letters passes them on the street, on some level, even subconsciously, it reminds us that the Gods are still and will always be amongst us. Bless!

Now without any further ado ... on with the show!

Uranus {Ouranos}

Pluto {Hades} has Styxian Seas

**YES, PLUTO!** He's **STILL** a planet as far as I'm concerned {and he definitely is in Astrology - He's the only planet to deal with the deepest reaches of the soul and - truth be known, I learned that many millions of years ago, originally, Pluto was 4 times the size of Neptune, though due to asteroid bombardments and such, he was reduced to the smallest planet in our solar system, also truth be known, there were ancient texts written in Egypt, Greece and India, dating back over 8000 years stating that we lived in a nine planet solar system, so as it were Pluto was "re" discovered in 1930 and Disney, in honour of the naming of Pluto names Mickey's Dog Pluto - not the other way around, people, geez! And I know I'm not the only one pissed at the IAU's decision not to include him in our Solar System and appalled at their hubris. Apparently only 4% of their members voted to have Pluto demoted. Here's to Pluto's reinstatement! Cheers! Prost! Salute!

# SOME WORDS AND PLACES THAT HAVE ORIGINS FROM THE GODS AND THE ANCIENT GREEK LANGUAGE

**Adoration** comes from the Latin word 'adoration'

**Alpha** {First or dominant - the first letter of the ancient Greek alphabet}

**Alphabet** comes from Greek letters alpha and beta

**Agoraphobia** {Fear of wide open spaces. Agora: Ancient Greek: "A public open space used for assemblies and markets." See below for origins of the word 'Phobia'}

**Athens** {Named in honour of Athena, the City's Patron, who offered the olive Grove, a symbol of Peace}

**Aphrodisiac** {Sexual stimulant - named for **Aphrodite**, Greek Goddess of Love, **Eros**' mother}

**Arachnid** {the term for spiders, from **Arachne**, Greek mortal, who spun beautiful tapestries, but offended Athena who turned her into a spider. Arachne is also depicted in the Underworld weaving the *Tapestry of Life*} – *Arachnophobia* = fear of spiders}

**Arctic** and **Antarctic** comes from the Greek 'Arktos' – of the land of the bear and

then 'Antarktos'

**Autograph** comes from two Greek words 'autos' – self 'gratos' - written

**Bacchanal** {Wild party from **Bacchus/Dionysos**, Roman/Greek God of Wine,  
Merriment and the Secrets of the Universe}

**Beta** – second letter in Greek alphabet

**Cermaic**, root ancient Greek word, keramikos

**Chromium**, after the Greek word 'khroma' meaning colour, so named because of  
the many different coloured compounds displayed by chromium

**Chronological** – Comes from **Chronos/Kronos, Father of Time.**

*Corn* - was invented by Demeter

*Democracy* - was created in Athens

**Discord** {Mayhem, from Goddess of the same name}

**Echo** {Greek nymph of the same name, offended Hera by her inane gossip,  
and was cursed to "echo" only the last word said by anyone, fell in love  
with **Narcissus** - both pined away and died. Perhaps they are happy now

together in the Elysian Fields}

**Elysium** {Peace, bliss & harmony, from Elysium - The Elysian Fields, where the blessed and souls of good mortals went in the Afterlife}

**Epiphany** – meant ‘visions of the **Gods**’

**Erotic/Erogenous** {Sexual, from **Eros**, Greek God of Love, son of **Aphrodite**}

**Hygiene** {from **Hygeia**, Greek Goddess of Health}

**Hypnotise/notic** {From **Hypnos**, Greek God of Sleep. He’s **Morpheus**’ Father}

**Jovial** {and the expression by **Jove!**} - From **Zeus/Jupiter/Jove**, King of the Gods, also **God of Joviality**}

**Mentor** from the ancient Greek hero of the same name

**Morphine** {from **Morpheus**, Greek God of dreams}

**Music**, ***museum*** and ***amuse*** and ***amusement*** - come from the **Muses**

**Narcissistic/Narcissist** {being full of one's self from **Narcissus**, Greek youth {some say God} who fell in love with himself and pined away. He did not notice **Echo** who fell in love with him on the mortal plane until it was too late.}

**Nauseous**, from the Greek word 'naus' meaning boat

**Nemesis** {from **Nemesis**, Goddess of Vengeance}

*Pharmaceutical* {from the Greek word 'pharmakia' - which means 'poison maker'} – scary, huh?

**Phobia** {from **Phobos**, Greek God of Fear, son of **Ares/Mars**}

*Planet* derives from the Greek words *asteres planetai* 'wandering star'

**Plutonian/Plutonium**, after **Pluto**, Roman God of Wealth, Justice and the Underworld

**Protean**, meaning chancing is from '*Proteus*,' The Old Man of the Sea, an ancient Greek God and shapeshifter

**Psyche**, from the mortal woman **Eros/Cupid** fell in love with who was later made into a Goddess by Zeus. It is also where we get the word psychology, psychologist, ect

**Strife**, after the God, **Strife**

**Tantalise** comes from the Greek mortal Tantalus – {not a nice guy! And rightfully punished by the Gods}

**Thespian** comes from Thespis, the wolrd's first actor from ancient Greece

**Titanic/Titanium**, after the **Titans**

**Typhoon** comes from **Typhon**

**Vulcanologist** and **Vulcanian** volcanoes come from **Vulcan**, Roman God of the Forge

Author's note: In the fourth book, it is revealed that the Gods were in fact exonerated mortals, which is not how I see them, but an interesting concept. The mantle of the Gods is passed from generation to generation. The current Lord Hades is a hard, but just and honourable man. He seems to have a cruel streak, but he is fair and rules his kingdom well. Was amused to discover that Hades name in this book is Anthony Michael Dominic DeSaxe IV. Cool. Bet his friends call him Tony. Hehe.

Hades and the minotaurs featured in, *The Four Legendary Kingdoms* onwards, portrayed as a powerful mortal who took over when his predecessor died

Lore Olympus, Rachel Smythe {webtoon, 2019} Adults only.

Print versions exist, *Volume 1*, {DEL REY, 2021} *Volume 2* {2022} *Volume 3* {2022}

Author's note: I LOVE how Hades and Persephone are portrayed in this. Hades is heartfelt and loves Persephone very much. She went with him willingly in this series, YES!!! Hades

has his troubles and his inner demons and is learning to deal with them. Set in the modern age.

Metamorphoses, Ovid, Penguin Classics, 1955

Odysseus ~ The Return, Valerio Massimo Manfredi, Pan Macmilla, 2014

The Odyssey, Homer, Wordsworth Editions Limited, 1992

Orpheus and Eurydice, opera by Christoph Willibald Gluck. First performed in 1962.

Many productions have since been performed.

Orpheus in the Underworld, humorous operetta by Jaques Offenbach, 1858. A parody and satire of *Orpheus and Eurydice* by Christoph Willibald Gluck. Many productions have since been performed. *Author's note: I was privileged to see a production of this, in 2003 at the Sydney Opera House, starring tenor David Hobson as Pluto {Hades.} He was so funny! I like a funny Hades! He wore an over-the-top costume, including hilarious huge black platform shoes! In this, Pluto/Hades is against ambrosia, nectar and Olympus and thinks it's a lot more fun down in the Underworld. In this play, Orpheus and Euridice*

hate each other and Pluto/Hades is on love with Euridice. He poses as a farmer and woos her.

Persephone of Eleusis ~ A Romance of Ancient Greece, Clare Winger Harris, The

Stratford Company, 1923. Book is not about Persephone herself, but of a mortal woman sharing the same name, in love with a Persian soldier. There are two chapters on Persephone the Goddess and the Eleusinian Mysteries.

Return to Elysion, Joan Grant, Methuen & Co. Ltd, 1947 - First Edition

{Later reprints also exist} – About a mortal-made place called Elysion, near Athens and deals with altered states

Theogony ~ Works and Days, Hesiod, Translated by M. L West, Oxford

University Press, 1998

Thief of Hades, L. E. Henderson, Writer's Club Press, 2000. A revised edition

also exists.

Author's note: This book is set in the modern day about Charon trying to free his daughter, from Hades. At first, I thought I would dislike this book, given it did not seem from initial review that Hades was portrayed in a good light. Upon reading it for myself, it seemed to me Hades was portrayed as hurting, fed-up. In truth, I was more annoyed by Charon's obnoxious daughter, Daphne and his wife for hurting Hades and Daphne's inability to make her home in the Elysion Fields to her liking. I felt for Hades, his pain and how the author described him as a head of a dying company, without knowing it was crumbling around him, betrayed by those he loved and trusted.

Abandon series, Meg Cabot, PanMacMillan

Abandon {2011}

Underworld {2012}

Awaken {2013}

Author's note: Very sweet romance series. Persephone is devoted to her beloved Hades.

Cronus Chronicles series, Anne Ursu, Athenium Books

The Shadow Thieves {2006}, *The Siren Song* {2007}, *Immortal Fire* {2009}

Author's Note: Hades is portrayed well here. He rules his world strictly, yet fairly, although he came across as a little arrogant. He's a little quirky too and respectful of the humans who helped save his realm in the first book.

Daughters of Zeus series, Kaitlin Bevis, BelleBooks

Author's Note: The Gods teenagers attending Mount Olympus Academy {MOA} where Zeus is principal. Hades is seen as a bad boy but he's not really. Really digs Persephone and she digs him! At first, she was acting all phony around him to woo him, but he was not into that. He liked it when she was herself. He came out of his shell when he met Persephone. Hades is voted the 'Most fascinating' in the MOA yearbook! Delightful books! Hades and Persephone feature as foreground characters in the bolded titles and background characters in the others.

Goddesses series, Clea Hantman, Avon {2002 - about three Muses banished from Mount

Olympus to live life on Earth as teenagers.}

*Heaven Sent, Three Girls and a God, Muses on the Move, **Love or Fate***

Author's Note: Hades appears in the last book although Hades as in the abode of the Dead is referred to in the first three. Thankfully Hades wasn't portrayed as evil as I feared when I first started the series. He was actually quite cheery. He's

portrayed as somewhat of a glutton eating weird things. Amusing, though that's not how I see Hades. In this series, he's also generous with his food, sharing it about.

Goddess Summoning series, P. C. Cast, Berkley Sensation

*Goddess of the Sea {2003}, **Goddess of Spring {2004}**, Goddess of Light {2005}, Goddess of the Rose {2006}, Goddess of Love {2007}, Goddess of Legend {2010}, Goddess of Troy {2011}, Warrior Rising {2008}*

Author's note: Very good portrayal of Persephone.

Author's note: Great series

Hades Speaks! A Guide to the Underworld by the Greek God of the Dead ~ Screats of the Gods,

Vicky Alvear Shecter, Boyds Mills Press, 2014

Author's note: Awesome book! We are well informed of the Underworld and Greek myths about it and its King by none other than a very quirky Hades himself. Similar portrayal of Hades to the 'Myth 'O Mania' series by Karen McMullen.

Helping Hercules, Francesa Simon, Orion Children's Books, 2003

Author's note: Both Hades and Persephone cried in the Orpheus chapter.

Heroes in Training series, Joan Holub and Suzanne Williams, Aladdin

*Zeus and the Thunderbolt of Doom {2012}, Poseidon and the Sea of Fury {2012}, **Hades and the Helm of Darkness**, {2013}, Hyperion and the Great Balls of Fire {2013}, Typhon and the Winds of Destruction {2013}, Apollo and the Battle of the Birds {2014}, Ares and the Spear of Fear {2014} Cronus and the Threads of Dread {2014}, Crius and the Night of Fright {2015}, Hephaestus and the Island of Terror {2015}, Uranus and the Bubbles of Trouble {2015} Perseus and the Monsterous Medusa {2016}*

Author's note: Great series. Hades works together with his brothers and seems happy with the Underworld and has a silly sense of humour 😊 Hades features in all of them, though predominately features in 'Hades and the Helm of Darkness.'

Myth-o-Mania series, Karen McMullen, Scholastic, inc.

Have a Hot Time, Hades {2002}, Phone Home, Persephone {2002},

Say Cheese, Medusa! {2002}, Nice Shot, Cupid! {2002}

Stop that Bull, Theseus! {2003}, Keep a Lid on It, Pandora! {2003}

Get to Work, Hercules! {2003}, Go for the Gold, Atlanta! {2003}

Hit the Road, Helen! {2013}, Get Lost Odysseus! {2014}

Author's note: A fun perspective on the Greek myths. A little silly in parts, but a rare and refreshing look at the Greek legends, all told from a very quirky Hades' point of view.

Hades calls himself K.H.R.O.T.U. King Hades, Ruler of the Underworld ☺

Nico Bravo and the Hound of Hades, {graphic novel} Mike Cavallaro, First Second Books,
2019

Percy Jackson and Heroes of Olympus series, Rick Riordan, Puffin books. Movies of the first two books made by Fox 2000 pictures in 2010 and 2013. Hades only features in the first movie.

Author's note: Hades features in this series as a stoic and bitter god, not necessarily a nice guy but not a bad guy either. He cares deeply for his children. Persephone is portrayed as a conniving Goddess. She and Hades' relationship appears strained. In the first movie {not book} Sadly, Persephone is portrayed as slutty, though she helps the heroes.

Persephone ~ Secrets of a Teenage Goddess, Jennifer Cook, Lothian books, 2005

Author's note: I found this book incredibly deep and insightful and very well written and has one really feeling for Persephone, feeling trapped under the thumb of her overbearing mother and feeling for Hades and his timeless wisdom and balance in the darkness.

Ring of Hades, Dorothy Higgins, 1969, Parent's Magazine Press.

Although Hades himself does not make an appearance in this book, it is quite a good read, set in ancient Greece, following the adventures of, Agathon an Athenian youth. It does feature the item of the title and 'reading between the lines' as I do, I believe Hades was guiding the young boy to discover his fortune, as Hades is also the God of wealth. Perhaps he was wearing his helmet of invisibility... ☺

Tales from The Odyssey, Book Two, Land of the Dead, Mary Pope Osborne, Hyperion Books,
2002

Tales from the Old World, Kevin Crossley Holland, Dolphin, 2000

'Persephone Rising, - Also has a tale entitled 'Godfather Death' from the Czech Republic amongst other tales of worldly mythology.

Tales of Gods and Men, John Bailey, Kenneth McLeish & David Spearman, Oxford

University Press, 2002. 'The Six Seeds' amongst many other mythological tales

The Wanderings of Odysseus, Rosemary Sutcliff, Francis Lincoln, 1995

Who Let the Gods Out? Maz Evans

Who Let the Gods Out {2017}, *Simply the Quest* {2017}, *Beyond the Odyssey* {2018}, *Against All Gods* {2019} Author's note: Hilarious series featuring the Greek Gods, set in the modern day. I love these just as much as ones set in ancient times. Hades is very funny and loves his family. I was relieved he was not a bad guy here! Also, rather typically, Thanatos cops that treatment in this series.

Children's Picture Books:

Demeter and Persephone, the Seasons of Time, I. M. Richardson, Robert Baxter {Illustrator},

Troll Associates, USA {No publication date given} *I don't quite agree how the author portrays Hades, but at least he's not a bad guy! - Beautiful watercolor drawings*

also. Hades looks really good. Very well drawn, young and spunky!

Persephone and the Pomegranate Seeds, Geraldine McCaughrean, Orchard Books,

{Hades is referred to as Pluto}

Disney's Hercules ... Hades

Hades, the Truth at Last, 'Transcribed' by Nancy Krulik, Illustrated, Gerald Scarfe,

Disney Press, 1997. *A fun and humorous retelling of Disney's 'Hercules' from Hades point of view...*

A Tale of Hades, Evan Skolnick, 1997

Movies:

Hercules, 1997, Disney – Hades portrayed by James Woods {voice}

Portrayed as an hilarious villain, easy to overlook and forgive that Disney made him the bad guy! See below for entru on Disney's Hercules: The Series.

Hercules in New York, 1970 {As Pluto} RAF Industries - Portrayed by Michael

Lipton. {Called Pluto}

A mischievous, albiet suave and sophisticated portrayal of the Lord of the Dead.

Hercules: The Legendary Journeys {1995} Universal/Renaissance.

Hercules in the Underworld -Hades portrayed by Mark Ferguson.

Cool, suave and true to his word. Interesting that he wears a white toga and a laurel wreath. Most portrayals of Hades, he's seen wearing black or darker colours.

Hercules, Cayre Brothers, 2004. Hades voice actor unspecified.

Author's note: Portrayed as an elderly, wise wizard-like god. Looks like how I picture

Merlin.

Mamma Mia, Universal, 2008, not a portrayal as such {actor not given.} *The ending*

scene with the Gods is cute and worth a mention, Hades is holding a 2 pronged sceptre,

very young and smirking at Persephone who's holding a basket of pomegranates!

Percy Jackson and the Olympians: The Lightning Thief, 20th Century Fox, 2010 -

Portrayed by Steve Coogan. Persephone portrayed by Rosario Dawson.

An interesting portrayal, appearing as a demonic fire being with winds, but really looks like an 80's rocker, again has the 'take over Olympos' things happening, and the common misconception of hating his lot in the Underworld. Persephone, sadly is portrayed slutty in the movie, but she does appear to have a soft spot for poor Hades and feel somewhat sorry for him.

Clash of the Titans/Wrath of the Titans, Warner Bros, 2010, 2012 – Hades Portrayed by

Ralph Finnes. *Author's note: Interesting portrayal, still too evil a Hades for my tastes, but one could feel his pain and also interesting as he's one of few portrayals of Hades with long hair. He wises up in Wrath of the Titans - must've been the energy I sent them!*

Interesting in this movie, Hades is the only God that survived the aftermath and becomes mortal and wonders if he's not better off for it.

Television Series and Computer Games:

Age of Mythology, computer game, Ensemble Games, {2002}. Hades features and attributes the player with certain bonuses.

Disney's Hercules: The Series {1998} Disney, Hades voiced over by James Woods. He

*appears in around 40 of the 65 episodes. Author's note: Despite me not seeing Hades as evil and many Pagans and Hellenic Polytheists hate this portrayal of Hades, I have a soft spot for him, as this is the first portrayal of Hades I saw in depth and so, have him and Disney to thank for sparking my passion to learn more about mythology, especially Greek, Egyptian, Norse, Mayan, Aztec and Mayan and have been learning constantly for over two decades. Not long for a God, perhaps, but ages for a mortal! Hades in this series hilarious to watch, though I wish he featured in more episodes! Wish there was an episode with him and Persephone, showing his softer side. I **know** he has one! ☺*

Disney's House of Mouse {2001-2002} Hades appeared in some episodes. Also voiced by

James Woods. Movie made called *House of Mouse: Villains*. Author's note: Fun to watch as well. Wish Hades featured more!

Dinsey's *Kingdom Hearts*, computer game {first release, 2002} Hades makes various appearances, voiced by James Woods. Author's note: Memo to me, as Hades says, must start playing! Hades also features in the game 'Hades' Challenge.' Love it! Sadly it won't work on my new Windows, dang!

Hades, computer game, Supergiant Games, {2018}

Author's Note - you play as Zagreus, son of Hades

Hercules: The Legendary Journeys, {1995} Universal/Renaissance - Portrayed by Erik

Thomson. Author's note: Hades appeared in only three episodes. He's portrayed as a hard-working God, with too much to do, and sometimes whinges about it, though with fierce principles and in the end, undying devotion to the Underworld and his beloved family.

Episodes starring Hades, Persephone and/or Celesta:

The Other Side {Also stars Andrea Croton as Persephone}

Highway To Hades

Not Fade Away {Also stars Andrea Croton as Persephone}

Regrets...I've Had A Few {Starring Belinda Waymouth as Celesta – Hades was mentioned quite a bit, but did not feature in this episode – Unfortunately!}

Young Hercules {1998} Universal/Renaissance - Spin off of *Hercules: The Legendary Journeys*.

Portrayed by Erik Thomson.

Episode: *A Lady In Hades*

Xena: Warrior Princess {1996} Universal/Renaissance - Another spin off of *Hercules: The Legendary Journeys*. Hades is portrayed by Erik Thomson and in later episodes, Stephen Lovatt.

Episodes starring Erik Thomson as Hades {and episode mentioning Hades}:

Death In Chains {Also stars Kate Hodge as Celesta}

Mortal Beloved {Author's personal favourite}

Intimate Stranger

Ten Little Warlords {I mention this episode as Hades is mentioned predominantly.

His power is seen, full on in the end, sending Sisyphus back to Tartarus.

Sadly Hades himself is not seen in the episode ... Perhaps he was wearing his

Helmet of Invisibility ... ;}

The Xena Scrolls {Flashback to the *Mortal Beloved* scene with Hades}

Adventures in the Sin Trade

Episodes starring Stephen Lovatt as Hades: *Sadly he was portrayed as an evil Hades trying to get Xena, though he was awesome. A pity they didn't have a more peaceful solution to the Xena's child and Gods dilemma or write something different entirely. I would have loved for Xena and Hades to work together for a peaceful solution, as that is the Xena and Hades I knew and loved.*

God Fearing Child

Looking Death in the Eye {Also stars Theresa Healey as Celesta}

Motherhood {Author's least favourite!}

Myth Quest, {2001} *Minds Eye* Entertainment, Hades portrayed by Eugene Lipinski.

Author's note: A powerful portrayal, keeping up appearances of "No Living shall enter the Underworld," when he confronts Orpheus, brought around by Persephone. Devoted to his beloved. Bald as a badger.

Episode: *Orpheus* {Also stars as Emmanuelle Vaugier as Persephone}

Once Upon a Time, ABC, Hades portrayed by Greg Germann. *Author's note: Hades features predominantly in series five. He is a power hungry and cruel God, based on the Disney Hades, with the flaming hair, though not as fast-talking. To his credit he really is in love with Zelenia, however sadly, is unable to let go his lust for revenge against Zeus and is killed. Typical... I dearly wished he came around.*

Ulysses 31/Ulysse 31 {1981} DiC, TMS, FR3 and RTL - {Both French and English voice actor for Hades unknown at this point, sorry}. *He is one of the few Gods in the series who did not try to hinder Ulysses on his quest. True to his word, releasing the hero in the end when he passed the final test, even defying his brother Zeus, who*

wanted to keep Ulysses in the realm of Olympos. Ulysses 31 is the Odyssey set in outer space in the 31st century. I was so excited when I first saw this episode as a 10 year old child, I cried!

Episode: *The Kingdom of Hades*

Other poignant and funny portrayals of Death and the Afterlife

Ballad of a Shinigami, Japanese anime {beginning in 2003} - Author's note: Momo is a girl

God of Death and wants to ease the suffering of mortals. I have not read it, but plan to.

Shinigami is the Japanese name for the Grim Reaper. Interesting to note Duo's Gundam suit in Japanese anime Mobile Suit Gundam Wing {1995} is called Shinigami.

The Discworld seires, by Terry Prattchett {beginning in 1983}

Author's note: Death features in all Discworld novels, though predominantly in Mort, Reaper Man, Hogfather {a movie also exists of this title,} Soul Music, Thief of Time. There is also an official map called Death's Domain. In this series, Death is portrayed as wise, Universal, yet also naïve and curious aand mortale puzzle him. He also loves cats and curries. I think he is a sweetie and of course, he's my favourite character! ☺

The Grim Adventures of Billy & Mandy, Cartoon Network Studios, {beginning in 2000},

Author's note: Humorous show about happy-go-lucky Billy and cynical Mandy, his best friend and how Billy beats the Grim Reaper at limbo and reluctantly, Grim has to serve the duo. He grows to care for them.

Meet Joe Black, City Light Films, starring Brad Pitt, 1998 – Author's note: A beautiful

portrayal, showing the kinder side of death. I loved how Death fell in love.

What Dreams May Come, Interscope, 1998, movie starring Robin Williams. Author's note:

A beautiful portrayal of death and a man's journey to save his wife from torment.
